Objective

I am a highly motivated AI and Cloud Architect and B.Tech IT student, who is optimistic, goal-driven, and eager to learn. I have a strong passion for AI and Cloud Computing and work on mastering technologies like Python, AWS, DevOps, and Machine Learning to build intelligent and scalable solutions. I enjoy designing innovative projects, taking on challenges, and collaborating with teams to deliver impactful results.

Skills

- **Cloud Service Provider:** AWS, Azure, Cloud Architecture
- **Programming:** Python, Java, JavaScript
- **Web Development:** React, Node.js
- **AI/ML:** Machine Learning, Data Analytics
- **DevOps:** CI/CD, Docker
- **Databases:** SQL, MySQL, MongoDB

Projects

1. E-Commerce Platform

- Developed a full-stack E-Commerce web application with cloud integration.
- Users can browse products, add to cart, and complete purchases.
- Built front-end and back-end features, implemented secure authentication, and deployed on AWS.

Tools: HTML, CSS, JavaScript, React, Node.js, SQL, AWS

2. Machine Learning-based Inventory Management System

- Created an intelligent inventory system using ML algorithms to predict stock requirements and optimize supply.
- Managed data with SQL and deployed the solution on cloud infrastructure.

Tools: Python, Machine Learning, SQL, AWS

3. Agri Type – Smart Agriculture Management System

- Developed an intelligent system to monitor crop types, soil conditions, and predict optimal planting schedules using machine learning algorithms.
- Handled agricultural data using SQL and deployed the solution on cloud infrastructure for real-time analytics.

Tools: Python, Machine Learning, SQL, AWS

Education

- St. Xavier's Higher Secondary School, Purathakudi
- Bio-Maths
- (Cut Off : 155.5)
- V.S.B. Engineering College, Karur
- B.Tech - Information Technology
- (Current GP 8.40)

Internship

Corizo Edutech Private LTD

- Artificial Intelligence
- Machine Learning
- Blockchain
- CyberSecurity

Certificates

- Certificates on Oasis Infotech
- Certificates on Infosys Springboard
- Certificates on Corizo Edutech Private LTD

Hackathon

- Smart India Hackthon - 2025

Interest

- Playing Basketball
- Listening Music
- Reading Books
